SAFEGUARDING CONTINUOUS
TWENTY-FOUR HOUR
POWER SERVICE
in

ALABAMA

Never in the history of Alabama Power Company operations in Alabama has power been curtailed to industry or the service of the people.

Adequate—continuous—uninterrupted 24-hour service has been consistently maintained by Alabama Power Company to all of its customers and at all times.

This remarkable record has been achieved in Alabama through maintenance of—

EIGHT
RESERVE STEAM PLANTS
WITH A COMBINED CAPACITY OF 128,200
HORSEPOWER

Strategically located to supply deficiencies in water power which sometimes arise as a result of drought such as we are now having in consequence of reduced stream flow. The present dry period is almost unprecedented.

These plants located at Gorgas, Gadsden, Montgomery, Selma, Huntsville, Tuscaloosa, Decatur and Marion were built at a cost of many millions of dollars to safeguard continuous power service for Alabama.

In emergencies, Alabama Power Company may also use the power stations of certain customers. These available stations will produce 23,700 additional horsepower.

The company also leases from the United States government the Sheffield Steam Plant with a capacity of 80,000 horsepower, giving Alabama

A STEAM POWER RESERVE OF
231,900 HORSEPOWER

Which is probably the greatest steam reserve maintained by any American Power Company in proportion to its hydro-electric generating capacity.

The health seems to be very good just now, and we are certainly thankful for we have had a good deal of sickness this year.

Cotton picking is the go now and every one has been rushing to get their cotton out before the rainy weather begins. Mr. and Mrs. George Beck, of Troy, visited in this community Sunday.

Preaching was well attended Sunday, Saturday night and Sunday, considering the weather. Large attendance at Sunday school. We noticed the attendance hasn't come below 80 in a good while. Let's try to make it 100.

Rev. C. W. Walton and family dined at Mr. Henry Dismuke's Saturday. We are always glad to have our pastor and family with us.

Those who dined with Mr. and Mrs. R. A. Chapman Sunday were: Misses Willie Mae and Cor Rogers, Gesta and Ethel Clower, Bessie Helms. Mr. Devane, of Elba, visited his sister, Mrs. Nath Stinson Sunday.

Among those attending the Brundidge High School from here were: Louie Helms, Comer Fuller, Elva Tillman, Bertha Johnson, Bessie Helms. We wish them success.

The singers met Sunday afternoon to sing in the Sacred Harp. House called to order by chairman. A lesson of 3 leaders, 3 songs each: Colton Dismuke, Carlus Helms, Louie Helms. Recess.

Next lesson consisted of 3 leaders, 3 songs each: L. J. Wood, Rev. Walton, George Beck. Recess 10 minutes. House called to order by the chairman. A lesson of 3 leaders, 3 songs each: Dr. Killingsworth, W. H. Dismuke, Andrew Johnson. A business session was held. Someone suggested that Chestnut Grove call for the "Counties Line" Convention to convene with us next year. Everyone seemed anxious for it, so we hope to get it. Robt. Helms, Dr. Killingsworth and Marion were here and dismissed with prayer, until 2nd Sunday in October.

September 27th, the fourth Saturday, is the day set apart for a "Community Get-Together Day" here. Everybody has a special invitation. The cemetery, Church, School, Lodge, and yard will be cleaned up, and wood sawing for the school, infact a general "clean-up" day. So those who are interested church members and school patrons, W. O. W.'s and Masons, come early, the fourth Saturday morning with sufficient tools to do the work. Also bring a lunch for it will take most of the day to do the work.

MULES BREAK BACKS
BY FALL INTO DITCH

Troy, Ala., Sept. 12.—Two mules driven by Ira Stewart, a farmer living near Troy, stumbled and fell into a ditch on Brundidge Street and broke their backs.

The paving company that dug the trench placed the mules at either side, but they turned out before the accident, which occurred at 3 o'clock in the morning. Mr. Couch, who has charge of the paving contract, told Mr. Stewart to go to any stable and select any mules he desires and the construction company will pay for them.

One of the hindrances to christian influence is that so many people would rather argue about their religion than live it. They need to learn the luxury of doing good, and to know that talk without action saps the will.

It is generally in the summer that our religion is snowed under; since it is autumn lets begin to emerge from that lethargy, and ask God to direct us, remembering that the Lord cannot direct a man till he starts somewhere.

There will be services at 11 o'clock Sunday, and at night.

At three o'clock there will be preaching in the J. S. Windham community. All are cordially invited to attend.

The stewards will meet at the parsonage to-night (Thursday) and a full attendance is requested as important business is to be transacted.

Dr. Hurt, presiding elder of this district, stayed over night at the parsonage Sunday, and on Tuesday morning he will be here from holding the 4th quarterly conference of the New Brocton church.

Annual conference is close by. Let us be in full readiness for it when it comes.

METAL BRACES FOUND IN RIVER BOTTOM ARE IDENTIFIED AS PARTS OF COUNTY'S LOST TAX RECORDS; CAN BE SEEN HERE

Another chapter in Coffee County's famous "Tax Book Case" has been written, with the finding several days ago of the metal braces from the binders which held the assessment sheets and the land and lot books. These metal braces were found in the bottom of Whitewater at Boutwell's mill, some twelve miles above Elba, by a crowd of young boys who were in swimming in the mill pond.

The finding of the braces by the boys was reported in that community, and a number of citizens, who suspected that the braces were the missing links in the chain, visited the spot, and after considerable search found more of the braces, the total find aggregating twenty-two.

Mr. Press Hawkins, who lives in that section, took charge of the findings and reported the matter to Tax Collector Jack D. Lee and Tax Assessor D. C. Marley, who examined them and immediately identified them as parts of the county's missing records.

Mr. Hawkins brought the braces to town on Tuesday of this week and they are now in the tax office where anyone who desires may see them.

Much doubt had been expressed at the reports about the finding of the parts of the records, but this doubt has been set at rest by the discovery of the braces, the mystery surrounding the disappearance of the records is still as great as before the finding.

When the braces were put in the river bottom, the persons who did it, or the persons who removed them from the tax office here, or what became of all the assessment sheets and other records are questions which can only be guessed at.

One conclusion is that the records were burned, as some of the braces show signs to that effect, but this is only a surmise, and the return of these parts does not clear up the mystery.

which has baffled all consulting and authorizing since the disappearance of the county's tax records on the night of February 18, 1921.

The finding of the remains of the lost records only adds another chapter to the already long "tax book case" but so far the whole matter is still enshrouded in the deepest mystery and the perpetrators of the crime are yet unknown.

BIRTHDAY PARTY FOR
LITTLE FOLKS

On Saturday afternoon little Miss Nell Gardner, Clark and Master James Clark entertained a party of about sixty-five of their little friends celebrating their seventh and second birthdays.

After the little people had assembled many out of door games were enjoyed on the lawn. Then they were invited into the dining room to cut the birthday cakes. These were placed on either end of a beautifully decorated table, one holding seven candles and the other holding two. An ice course was served.

Non-creams were the recipients of many gifts.

Mr. and Mrs. F. A. Symonds and Mrs. J. E. E. Hudson of Andalusia, were visitors at Elba the first of the week.

Miss Billie Boyd, of Ozark, was a visitor at Elba the first of the week.

FALL TERM CIRCUIT COURT IS BEING HELD AT ELBA THIS WEEK

The Fall term of the Circuit Court convened at Elba on Monday morning, with Judge W. L. Parks presiding. The grand jury was empaneled just before the noon hour and was given a very able and clear charge by Judge Parks. After the noon recess the docket was sounded, and a number of cases disposed of.

Following is the personnel of the grand jury:

Blankenship, Buster Powell, T. J. (Bud) Baker, B. Frank, Hudson, Zack R. Bowers, S. A. (Bogue) Johnson, J. Macon, Armour, John H. Dismuke, W. Henry, Addison, John D. Killingsworth, M. B. Anderson, M. E. Johnson, Ollie Paul, G. Freeman, Jones, H. Gordon, Jacobs, C. Monroe, Hardy, Gap L. Rugg, W. Henry, Wise, J. Sol.

Mr. J. H. Armour is foreman of the jury and Mr. J. S. J. Sanders is the bailiff. Hon. R. H. Jones, solicitor of the circuit is present to assist the grand jury in their deliberations through the week.

Following is a list of those serving on the petit juries for the week:

Jones, J. Edd, Deal, George W. King, Harry M. Dawkins, J. Monroe, Thames, John A. Martin, J. D. Ham, H. Barker, Wise, Jim W. Whitman, James G. Pinckard, J. Shelby, Fillingim, George L. Hyett, E. W. Marvin White, Jesse Rowell, Robert Westbrook, Charles E.

Mr. T. Alph. Windham, of Ozark, was a visitor at Elba Monday, having come over on business.

Mr. Windham is placing on the market through all druggists his preparation called "Pink Ointment" which he highly recommends for itching and other skin diseases.

He has an ad in today's paper. Mr. Windham lived at Elba for several months about forty years ago, and is well known to many of our citizens. He is a very pleasant gentleman and it was our pleasure to meet him and talk with him for a few minutes.

Will Brunson, at Elba, is the loan man. If you want to borrow money on your lands see Mr. and Mrs. J. E. Hudson Monday and Tuesday.

A PROCLAMATION BY THE GOVERNOR

WHEREAS, The Legislature of Alabama, at a session held in 1923, has ordered an election by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which is herein set forth, to be held at the general election in November, 1924; and

WHEREAS, Notice of such election, together with the proposed amendment is required by law to be given by proclamation of the Governor;

NOW, THEREFORE, I, William W. Brandon, Governor of the State of Alabama, do hereby give notice, direct and proclaim that at the general election in November, 1924, an election will be held for the vote of the qualified electors of the State of Alabama, in the manner, form and places required by law, upon the following amendment to the Constitution of Alabama, viz:

"Town Creek School District No. 59, Lawrence County, Alabama, shall have the right and power by vote of a majority of the qualified electors of such district at an election held for that purpose to levy and collect for the purpose of acquiring, constructing or repairing of school buildings or school buildings already built, not over five mills in any one year in addition to all other taxes now authorized by law. The election in such district to determine whether or not such tax shall be levied shall be called, held and conducted as now provided by law for calling, holding and conducting of elections to determine whether or not a three-mill district school tax shall be levied and collected."

IN WITNESS WHEREOF, I have hereunto set my hand and caused the great seal of the State to be affixed at the Capitol in the City of Montgomery, on this, 8th day of August, one thousand nine hundred and twenty-four.

(Seal) WM. W. BRANDON, Governor.

By the Governor: S. H. BLAIR, Secretary of State.

Liberty News

Miss Jewel Smith and Lucy Mayberry have been visiting Mrs. Fannie Davis.

Mr. and Mrs. W. P. Foley and children have been visiting Mr. and Mrs. H. L. Boland.

Mr. W. J. Farris, of Entos, was in our midst last week.

We are glad to have Mr. A. R. Smith, of Springdale, Arkansas, with us. Mr. Smith was raised here and one of the best young farmers we had in Coffee County. Every one is proud of him. He was a real cotton farmer, and none of us could beat him but got many new ideas from him. He was also a stock raiser as you all remember his sale when he left here for Texas. Now he is raising apples and other fruit. The past week he has been at Opp selling a car load of apples that he had shipped to that point.

We have had a good rain and we hope we will have a few more days so we can finish picking cotton and can get at something else for it.

It has popped open this year just like pop corn in a hot oven.

We want to praise the farmers for the way he dropped the hog. It is a pity that when the farmer goes a head and raises anything for the market just as soon as they begin to get a good supply the price drops to the cost of production.

Now don't go wild on hogs again.

Now lets sow some oats and rye and the time is right here to sow fall grain. Get busy for it will cut the cotton acreage. You see we have made too much cotton, and have made it in thirty cents basis, but the farmer is getting little above twenty cents for it.

Now for the better things of life, things we should all stand for and live for—the church and Sunday school. Last Sunday was a real day for me. Went to Mr. Olive, heard Bro. Helms preach. He was at the best and it is a real treat to hear him. He has his whole heart in his sermon, and the people go to hear him.

Sunday afternoon we went to Liberty to Sunday school and there was a good crowd.

After school Brother Helms preached a fine sermon, so plain even a child can understand him. We are very glad to have him with us and he will be with us each third Sunday afternoon, so be sure to come. We were glad to have Brother Helms with us. Now lets all go to church and make our selves more useful.

When the officer told Taylor he was under arrest after the latter had used profanity in the presence of women, it is said, it is claimed that the prisoner attempted to cut Brown. It is understood that Brown will claim self defense at his hearing set for Wednesday.

Wetunka, Ala., Sept. 21.—Ab Brown, deputy sheriff in the northern part of this county, is in the Elmore county jail tonight and will there await preliminary hearing in connection with the slaying of Charles Taylor, a prominent farmer. Taylor was shot to death Saturday afternoon on the platform in front of Judson Turner's store at Seaman.

According to the account of the killing brought here, Taylor, who is a bail fellow in his community under ordinary circumstances, was intoxicated Saturday afternoon. It is said that he was so transformed by his condition that many persons gathered at Seaman were frightened by his actions. He is said to have carried a knife in his hands, making threats.

When the officer told Taylor he was under arrest after the latter had used profanity in the presence of women, it is said, it is claimed that the prisoner attempted to cut Brown. It is understood that Brown will claim self defense at his hearing set for Wednesday.

THE "POULTRY BUSINESS" VS. "RAISING POULTRY."

Many a good man has brought on failure by excessive enthusiasm in going into the "chicken ranch" business.

Nevertheless there are thousands of farmers who are paying their grocery bills by just "raising poultry."—There's lots of difference in "going into the business" and "raising just enough."

Have you seen this new car? —It is a closed-open car!

A WEEK ago the new Studebaker Special Six DUPLEX-PHAETON was first announced.

Today, countless thousands of people are talking about this entirely new type of car.

One moment it is a closed car—in five seconds it can be transformed into a delightful, airy, open car. But it is always the closed car in deep soft cushions, beautiful finish and finish and luxurious riding comforts.

When you see it and ride in it you will know why it has made so profound a sensation—you will realize then that it gives you more than the finest open car can ever give you, plus the comfort and protection of the closed car.

And all at the price of an open car! And this is the new DUPLEX BODY on the famous Special Six Chassis.

Hundreds of thousands of owners all over this country and abroad have given the Studebaker Special Six a name for value, dependability and performance second to no other automobile.

The new Studebaker Special Six retains all the qualities which make great reputation—these have been added every real improvement which science and ownership could suggest.

Even aside from the sensational new DUPLEX BODY—the Studebaker Special Six has no superior in value in any car yet built. It was the conscientious intention of Studebaker in planning and designing the new Special Six to make it just such a leader—to that end every resource of the great Studebaker organization has been concentrated.

Even if we had the space we could not begin to tell you of the very many new and unusual features which indicate its superiority.

In appearance it is unlike any other American car—yet its long, low, broad, sweeping lines are conservative, crisply stylish and in beautifully good taste.

Think of the new Studebaker Special Six Duplex-Phaeton as the ultimate in value and performance—a five-passenger car, think of it as a car machinelike in practical convenience and desirability.

But to appreciate the sparkling beauty of its totally new lines you must see it. To know its perfection of operation and performance you must ride in it and drive it.

If you have not seen this NEW type car—come today!

J. L. COON BIRTHDAY CELEBRATION AND FAMILIAR REUNION.

According to previous arrangements another accustomed honor to the pioneer settlers of our county in which we enjoyed so many pleasures as the fruits of the labor and efforts put forth by them was paid at the home of J. L. Coon 1 1/2 mile north of Kingston, September 16th, 1924, this being his seventy-first birthday.

Uncle John was born and reared in Covington County on Yellow River 8 miles above where the thriving little city of Opp now is. He chose for his companion the daughter of old Uncle Bate Hilday and the same community and went out into the forest to do his part in the development of this great community having homesteaded where he now lives 40 years ago.

He and his wife have raised 16 children to be men and women. Two of the girls having died a few years ago. All of the family was present on this occasion except one daughter who lives in Mobile County. At the noon hour the ladies of the family and surrounding community prepared one of the most bountiful tables of nourishments that the winter ever witnessed. When the crowd was called to the table Rev. T. W. McKnight, of Elba, was called on to make a talk, which he did in his usual solemn and impressive way, referring to the hardships that Uncle John and all other pioneers of our county had to bear to make this a county worth while to live in.

The afternoon was spent in singing the glorious hymns of the old Sacred Harp with W. A. Woodham as leader of the music. The congregation was dismissed with prayer by Rev. McKnight and all went home rejoicing at having had the pleasure of spending another enjoyable day at Uncle John Coon's and hoping to meet back with him and his friends again one year from today. Preaching Second and Fourth Sunday of each month.

Owing to revival at the Baptist Church we have not had any preaching services during the month of September. For the reason also that our minister has been away in evangelistic meetings all the summer.

We will have preaching next Sunday and Sunday night and will be very glad to have a good attendance at these services. The Question of "The New Testament Church" will be discussed at both services. The minister will discuss these questions in the light of the Bible using and harmonizing many of the Prophecies in the old Testament looking forward to the establishment of the Church.

At the evening service the minister proposes to discuss and answer the many questions arising in the minds of the average individual. We promise to discuss these questions strictly from a Bible standpoint without reference to any creed or denomination, solely in the light of the Bible. You cannot afford to miss these services. Come let us reason together.

Birthday Celebration.

The children and friends of Mrs. A. D. Lowrey met at her home for the purpose of celebrating her 82nd birthday on September 16th. The house was called to order at ten o'clock by chairman, E. A. Lowrey, singing three songs, then R. A. Lowrey offered a word of prayer. The chairman appointed R. A. Lowrey to lead the introductory lesson.

Then the house went into organization for the day, on motion the same officers were retained, namely: E. A. Lowrey chairman; R. C. Lowrey, Vice-chairman; Beresford Lowrey, secretary. The chairman then appointed the following arranging committee: R. A. Lowrey, M. A. Rhodes, with the vice-chairman.

The chairman then sang one song while the committee reported a lesson by three, 3 songs each: Bill Hatten, J. F. Brooks, W. C. Johnson. Recess five minutes.

ELBA, ALABAMA

I have been selling "Pink Ointment" locally for seventeen years, filling my orders at my residence, but my sales have increased so much that I must now put it out through the Druggists.

Pink Ointment will cure "Conspicuous Itch" if used according to the directions on box. Also relieve all forms of Itching. Good for fresh wounds, burns and insect stings.

Pink Ointment is sold by all druggists in Elba, New Brockton and Enterprise.

Very respectfully,
T. A. WINDHAM, Ozark, Ala.

and R. C. Lowrey. The chairman then sang "Send a Blessing" and Rev. Reynolds dismissed one hour for dinner with a word of prayer.

House called to order by the chairman singing three songs, while the committee reported a lesson by four, 3 songs each: O. C. Sommons, Dr. N. W. Killingsworth, C. W. Killingsworth and M. A. Rhodes. Recess five minutes.

WINTER PASTURES MAKE CHEAPER HOGS.

The cost of feeding hogs during winter can be reduced by half with good winter pasture, according to Prof. F. W. Burns of the animal husbandry department at Auburn. In addition, better hogs are produced by pastures.

"Oats, rye, rape and vetch are leading winter grazing crops in the South," adds Prof. Burns. "A mixture of oats and vetch has proven the best winter pasture for hogs at the experimental station at Auburn. Four acres of this pasture will provide grazing for twenty-five 100-pound hogs an average of 115 days and, at the same time, only half the amount of concentrate feed is required. Experiments throughout the South show that 4 1/2 acres of oats alone will give winter grazing to the same number of hogs for 110 days."

On rich soil rape makes a splendid grazing crop for winter. Three acres have been known to carry twenty-five 100-pound hogs 95 days. However, this crop is not adapted to many Alabama soils. For pasture vetch is better when sown with a small grain. Livestock like oats better but rye is more resistant to cold.

September sowing is best for winter pastures for hogs. Early planting provides grazing earlier and more of it.

If oats are sown alone a crop of grain may be harvested in March and a top dressing of nitrate of soda applied.
